Re: Notice of Clerk's Certification - Petition for a Proposed Charter Amendment to the Charter of the City of Luverne, Minnesota Ordinance

Ladies and Gentlemen of the Petition Committee,

On behalf of the City of Luverne (City), I am acknowledging receipt of the affidavits of individuals who circulated a Charter Amendment Petition (Petition) in support of a proposed Charter amendment to the City's Home Rule Charter (Charter) Chapter 11, which would create a new subchapter 11A, establishing a municipal services commission within the City (proposed amendment).

I have completed my review of the above-described documents in accordance with my responsibility under Minnesota Statutes, Section 410.12, Subdivision 3 and Minnesota Rules, Section 8205.1050, and have made the following findings and determinations regarding the validity of the Petition:

1. On June 30, 2026, the City received documents numbered 1-28 containing the signatures of electors in support of the Petition and witnesses thereto (collectively, the "Petition documents"). I have reviewed the form of the Petition documents and have determined the attestation attached to each of the 28 Petition documents are in accordance with Minnesota Statutes, Section 410.12, Subdivision 2.

2. The Petition documents collectively contain 226 signatures, of which only 10 have not been confirmed as valid following my review thereof. The Petition therefore has acquired the requisite number of valid signatures pursuant to Minnesota Statutes Section 410.12 Subd. 1.

I will report my findings and determinations contained in this certificate to the City Council at its July 28, 2026, City Council meeting.

This certificate contains my findings regarding the procedural aspects of the Petition documents under the standards contained in Minnesota Statutes, Section 410.12; it does not address whether the content of the proposed amendment is compliant with the Minnesota Constitution or any other applicable state statute or regulation.

Please contact me at jmead@cityofluverne.org 9898 if you have any questions regarding this matter.

Sincerely yours,

A handwritten signature in cursive script that reads "Jessica Mead".
