

**BMIA Meeting 11/19/25 Members Present:** Chris Hein, Katie Kopp, Jordan Siebenahler, Tom Sterrett, Dave Van Batavia

**Approval of minutes:** Motion by Siebenahler, second by Sterrett

No minutes or Financial report to review.

**Manager's Report** – Dave reports they are revisiting the pickleball topic. A meeting is set for December 4<sup>th</sup>. MIAHA was gathering information on the status of rinks still operating with R-22. Schedule is picking up and the rink is getting busier. Pee-Wee tournament took place last weekend.

**Old Business** – Sponsor night will be held for the Boys/Girls Windom doubleheader Tuesday December 16<sup>th</sup>. Looking to get rid of more cash calendars want hockey & figure skating clubs to advertise on social media and try to get rid of the remaining tickets. Tom will sit at the home game tomorrow night to make sure it's covered.

**New Business** – Chris will run some tests on the internet within the rinks, some complaints about service being spotty. Tom had talked to a representative about availability of a fundraiser through Premium Iowa Pork. Discussion took place on what could be offered and what prices to charge for a fundraiser for BMIA. Ideally taking place the end of January, beginning of February. Families will be asked to sell a recommended amount. The fundraiser would hopefully not need a minimum requirement due to the hopes it would be popular enough and no one else in the community hosts a fundraiser of this type. Tom will confirm prices, requirements with PIP and then BMIA will put together a paper and online ordering options, select a distribution date for families, and start advertising with both clubs. The funds raised will be designated for future projects at BMIA included but not limited to the Compressors or Zamboni.

**Hockey Board Report** – Check with board to find a few volunteers to help sell remaining cash calendars at home games.

**Figure Skating Report** – Increased numbers from Learn to Skate. Students can sign up to just learn how to skate and if interested are provided contact information for joining Luverne Hockey or the Figure Skating club as they inquire.

Next meeting will be December 17th at 7:30 PM at BMIA to do the Calendar draw.

Adjourned motion by Siebenahbler, second by Hein.
